TRADITIONAL ARCHER, SHOOTING INSTRUCTOR & SWAT

Joel Turner is an Author, Professional Hunter, Traditional Archer, Shooting Instructor, and SWAT Sniper.

In his published book and live class *Controlled Process Shooting*, Joel educates on how the subconscious controls our ability to shoot on target consistently, and instructs his refined process of using psychological programming for the perfect shot. Joel has been dealing with target panic since he first picked up a recurve 31 years ago and has built a career on conquering this common problem in both Archery and Firearms.

In addition to his considerable background in shot instruction he is also a two time Rocky Mountain Elk Foundation Professional Division World Elk Calling Champion and has been in the top four callers in the world since 2006. Over the last 10 years as a professional caller he has had the opportunity to hunt throughout the West and pass along his knowledge of elk behavior and shot control to scores of elk hunters.

Joel Has been featured in: Bowhunter Magazine, Realtree Online Magazine, Muzzy Bad to the Bone TV, Cabela's American Archer TV, Sharp Sticks Podcast, Jay Scott Outdoors Podcast, and many others.
